Who We Are

Mazuri Exotic Animal Nutrition is a world leader in quality nutrition for virtually every living exotic animal. We design, test and produce more animal diets than any other company in the world. We support ongoing research and conservation through grants and sponsorships with other animal experts. Since 1989, zoo professionals, veterinarians, breeders and exotic pet owners have trusted their animals to Mazuri Exotic Animal Nutrition.

All Mazuri Exotic Animal Nutrition feeds are manufactured with the highest quality ingredients and the latest technology in our own plants. Our main plant is a drug & hormone free, FSSC 22000-certified manufacturing facility. We maintain a quality control lab on premises and also use independent analytical labs for off-site testing. By testing incoming ingredients, we are able to give your animals the most nutritionally consistent and high quality diets available in the marketplace. We work every day to renew our outstanding reputation and your trust.

From exotic birds, to reptiles, to mammals, to fish, and everything in between, Mazuri Exotic Animal Nutrition offers nutritional products for diets as diverse as the animal kingdom. Most important, our technical support staff is available to answer your nutrition questions for virtually every living exotic animal.

Through research and collaboration with our customers, Mazuri Exotic Animal Nutrition provides optimal nutritional products and support for the world's exotic animals nurtured and sustained for conservation, preservation, breeding, rehabilitation and companionship.

Our Promise

Mazuri Exotic Animal Nutrition diets have been developed to offer the highest quality in exotic animal nutrition. Our formulas are researched and tested at zoos, universities, and breeding facilities. Everything we produce is 100% satisfaction guaranteed. If you are not satisfied with a Mazuri Exotic Animal Nutrition diet, return it to the place of purchase for a refund.

INTERNATIONAL PRODUCT PORTFOLIO

Mazuri® Exotic Animal Nutrition provides other diets and supplements for a wide variety of species. For more information on other Mazuri® Exotic Animal Nutrition diets, visit our website at WWW.MAZURI.COM
